GENERAL INFORMATION

Qualities sought

- Craftspeople / artisans / artists need to be organized with good stamina and great people-skills. They need to be able to work in a self sufficient way, using their own initiative and problem solving skills. We're keen to work with people who're friendly, reliable, positive minded and enthusiastic, with the ability to work well as part of a broader team with a flexible and "can-do" attitude

Experience required

- We're seeking people who've experience of leading and delivering public "green" craft workshops, ideally outdoors and/or at festival events

Requirements

- To bring, set-up and maintain your own robust, 'green' aesthetic workspace (or to work out of our shared marquee / awning spaces if one's available)
- To forefront traditional craft making and offer workshops utilizing natural, sustainably sourced and environmentally stable materials and operate without mains electricity, with a focus on hand-tools
- To offer a variety of entry-points (from beginner to more experienced)
- To offer a free have-a-go anytime activity plus an "entry-level" taster workshop for €3 and (optionally) an additional workshop for under €10. (you can offer just the €3 w.shop & have-a-go)
- You need to bring all tools, materials, equipment, PPE and labour needed
- You'll need to work within our health & safety requirements (we're able to offer advice and support)
- To leave the site as found (eg: fully clear, returning soil to holes dug etc)

The Deal

- Each offer is individually arranged and includes festival tickets, vehicle-pass, space to camp in the GreenCrafts or site crew area and cash expenses to limited individuals / groups
- You'll need to arrive on **Wednesday 29th July**, and have your work space and activity set-up and ready for a health and safety check by **Thursday 30th July**.
- In terms of your or your supporting crew's children, no 13-17 year olds are allowed at the event. All 12 year olds and under brought as part of your team must be adult supervised throughout. The event's build and break time is classed as a "building site" and it's preferable to not have any children onsite, (if they must be onsite, we request they remain in designated camping areas)
- Those receiving bursary expenses will be paid as self-employed via an advance invoice, with your tax reference details. Bursaries range between €70 to €200 (depending on tickets and other factors)
- It's understood that absolutely no alcohol or illegal drugs will be consumed during, or before install, workshops, or take-down
- To apply, please mail a hard copy of this accompanying form, plus attach photos of your tent and workshop activity, contact details for someone who can vouch for you, plus a short CV
