

ELECTRIC PICNIC'S GREENCRAFTS VILLAGE, 2020

STRADBALLY HALL ESTATE, CO. LAOIS Friday 4TH TO Sunday 6TH September

APPLICATION INFO FOR CRAFT / ARTISAN WORKSHOPS

The renowned GreenCrafts Village are seeking craft workshops

If you can lead a craft workshop, demo or have-a-go activity, we'd love to hear from you

Applications are invited. Please post a hard-copy application form with supporting materials to arrive to:

N+M Piper **PO Box 13125. Bantry. County Cork. Ireland** **by March 31st (invited) / April 31st (new-comers)**

GENERAL INFORMATION

Qualities sought

- Craftspeople / artisans / artists need to be organized with good stamina and great people-skills. They need to be able to work in a self-sufficient way, using their own initiative and problem-solving skills. We're keen to work with people who're friendly, reliable, positive-minded and enthusiastic, with the ability to work well as part of a broader team with a flexible and "can-do" attitude

Experience required

- We're seeking people who've experience of leading and delivering public "green" craft workshops, ideally outdoors and/or at festival events

Requirements

- To bring, set-up and maintain your own robust, 'green' aesthetic workspace (or to work out of our shared marquee / awning spaces if one's available)
- To forefront traditional craft making and offer workshops utilizing natural, sustainably sourced and environmentally stable materials without mains electricity, with a focus on hand-tools
- To offer a free have-a-go anytime activity plus an "entry-level" taster workshop for €5 or under
- You need to bring all tools, materials, equipment, PPE and labour needed
- Hours open are Friday afternoon and 6hrs Sat + Sunday from 11am-6pm
- You may want to hold an optional more advanced additional workshop at your discretion
- You'll need to work within our health & safety requirements (we're able to offer advice and support)
- And leave the site as found (eg: fully clear, returning soil to holes dug etc)

The Deal

- Each offer is individually arranged and includes festival tickets, vehicle-pass, space to camp in the GreenCrafts main arena or site crew area and cash expenses to limited individuals / groups
- You'll need to arrive on **Wednesday 2nd September**, and have your work space and activity set-up and ready for a health and safety check by **Thursday 3rd September**. EP opens to the public on **Friday 4th September** (2pm / time TBC)
- In terms of your or your supporting crew's children, no 13-17 year olds are allowed at the event. All 12 year olds and under brought as part of your team, must be adult supervised throughout. The event's build and break time is classed as a "building site" and it's preferable to not have any children onsite, (if they must be onsite, we request they remain in our designated camping areas)
- Those receiving bursary expenses will be paid as self-employed via an advance invoice, with your tax reference details. Bursaries range up to **€300** (depending on tickets and other factors)
- It's understood that absolutely no alcohol or illegal drugs will be consumed during, or before install, workshops, or take-down
- To apply, please mail a hard copy of this accompanying form, plus attach photos of your tent and workshop activity, contact details for someone who can vouch for you, plus a short CV
