### We're seeking people to join the GreenCrafts creative team

If you have an existing large or medium scale sculpture(s) or seating series you'd like to showcase or are able to bring and build an art installation, garden, seating or similar onsite – then we'd love to hear from you, and please send us an application form with photos / sketches and examples of past work.

If you'd like to apply, please post a **hard copy** of this application form with photos etc to arrive to:

N+M Piper **PO Box 13125. Bantry. County Cork. Ireland** **by March 31<sup>st</sup> (invited) / April 21<sup>st</sup> (new-comers)**

---

### Qualities sought

- Creatives need to be organized with good stamina and problem solving skills who're able to work in a self sufficient way, using their own initiative. We're keen to work with people who're friendly, reliable, positive minded and enthusiastic, with the ability to work well as part of a broader team with a "can-do" attitude.

### Experience required

- We're seeking people who've experience of designing and making and/or locating their (or others) creative works in outdoor and/or festival settings.

### Tasks

- To bring your (or anothers) creative works to site and set-up, supervise, maintain and de-install / remove, leaving the site as found (eg: fully clear, returning soil to holes dug etc)

### Requirements

- This is a busy outdoor festival and pieces need to be robust to the weather and people
- You need to come self-contained with all the tools, materials, PPE, labour and equipment needed
- You work within our health & safety requirements (we're able to offer advice and support) and you take the risk of any damage to any artwork (we have security designated to the area overnight) and will leave the site, clear, tidy and/or repaired as found

### The Deal

- Each offer is individually arranged and includes festival tickets, vehicle-pass, space to camp in either the main arena or site crew camping and cash expenses to limited individuals
- You'll need to arrive on **Thursday 3<sup>rd</sup> September**, and have your artwork / piece(s) set-up and ready for a health and safety check by 9am **Friday 4<sup>th</sup> September**. EP opens to the public on **Friday 4<sup>th</sup> September** (Times TBC)
- In terms of your or your supporting crew's children, no 13-17 year olds are allowed at the event. All 12 year olds and under brought as part of your team must be adult supervised throughout. The event's build and break time is classed as a "building site" and it's preferable to not have any children onsite, (if they must be onsite, we request they remain in designated camping areas).
- Those receiving expenses will be paid as self-employed and will need to provide us with an invoice, with your tax reference number, in advance. Bursaries of between €50 to €200 may be available.
- It's understood that absolutely no alcohol or illegal drugs will be consumed on, or before install or take-down
- To apply, please mail a hard copy of this accompanying form, plus attach photos of your proposed art piece/other, contact details for someone who can vouch for you, plus a short CV
